## **International Virtual Exchange Conference (IVEC)**

**Newcastle University on 14-16 September 2020**

Virtual exchange (also known as Collaborative Online International Learning (COIL), Globally Networked Learning, or Telecollaboration) extends authentic opportunities for intercultural and transnational learning to students within the curriculum of college and university classrooms. IVEC is the largest and most prominent event on virtual exchange, providing a forum for an audience of deans, directors, faculty, instructional designers, administrators, and professionals from institutions around the world interested in technology, international education, and new pedagogies.

IVEC is pleased to offer a limited number of scholarships to help offset the cost of attending the conference. A maximum of ten 775 GBP (1000 USD/900 Euro) will be offered to support the participation of delegates who would otherwise be unable to attend. Preference given to graduate students, early career researchers and participants from developing countries or under represented higher education institutions who have a demonstrated commitment to advancing virtual exchange at their institution or in their careers.
